All –

I have been asked to communicate a slight change in direction following up on the discussion from last night. Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

David and Justin are taking the lead on Ex. 5 Deliberative Process (DP) and it's my understanding that this can happen in a relatively short timeframe. David – once you have the opportunity to discuss with Matt and Justin, would you please let the group know what to expect regarding timing?

Kell and I have been tasked with taking the first run at messaging, and will send around for input.

I'm happy to discuss further if anyone has any questions.
